

VOLUNTEERING

We take pride in creating a community where everyone can find something that resonates with them, from our pool and playground programs to our events and activities throughout the year. What makes these programs truly special is the invaluable contribution of volunteers who share their time and talents, enhancing the quality of life for our community.

Volunteering with us provides a meaningful way to give back to our community. Whether you're an individual looking to make a difference, part of a group, seeking new experiences and skills, or fulfilling Student Service Learning (SSL) requirements, there's a volunteer opportunity that aligns with your interests and needs. Volunteering has the power to be life-changing, offering a chance to connect, grow, and make a positive impact.

To become a volunteer with the Wyomissing Borough Recreation Department, you must:

- Be at least 14 years old
- Commit to the length of the program, event, or activity
- Share your enthusiasm for recreational activities with others
- Meet specific expectations discussed during the interview

We are grateful for individuals and groups willing to commit their time and energy to make our recreational programs thrive. Your dedication contributes to the well-being of our community, making it a better place for everyone.

We appreciate all those who step forward with their time and energy to help us create vibrant and engaging experiences for our residents. Together, let's build a stronger, more connected community through the power of volunteering.

If you're ready to be a driving force in building a stronger, more connected community, we invite you to take the next step. Reach out to us at wyoissingrec@wyoissingboro.org and let's embark on this rewarding journey together. Whether you're passionate about organizing events or simply lending a helping hand, your unique skills and enthusiasm will make a lasting impact
